Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The exterior paint on Mobile Elementary School was peeling and the surface of the block walls was uneven and chipped. In June 2012 the exterior wall were powerwashed and the walls facing SR 238 were stuccoed. Now the exterior walls and trim of the entire campus are in need of paint. The painted need included the school administration center, two classroom buildings, and the multi-purpose room.
